10 It is not stated in the Chief Engineers letter what progress has been made in the construction of the building and whether the work is likely to be finished before the close of the official year. If there is no hurry the balance of the last grant for the work may be paid out of next years Town Improvement grant, in view of the fact Chief Engineer's opinion that it is not possible to find the required sum from this years provision.

11 The Chief Engineer may perhaps be consulted in the matter.
